

Moss Hey Primary School Homework Grid

Spring term 1 2020

Please bring your homework book in EVERY week on a Thursday to be returned on Friday.

Daily reading

A Rising Star's reading book shall be sent home weekly (If your child is on Turquoise or above this shall be accessed online). We would like you to keep this book for one week and then can choose ONE activity at the back of the book to complete in your homework book.

Also please use Rising Stars online and complete the quizzes. I can check this online to see how well you are progressing.

Spellings

Each week please work on the spellings on the table below, we also practice these in class so your child should be familiar with them.

Handwriting

Each week in class we will be practicing our handwriting. Please continue to practice your Moss Hey letters at home and we shall soon start to see a big difference in your handwriting.

General	<p>Every day: Read your home/school reading book. Make sure you have your book and reading record in school every day.</p> <p>Note to Parents: This is so important and it is proven that children who read more at home perform better at school, in both reading and writing activities, and the value of reading with parents at home is just as important at KS2 as it is in KS1.
